This eBook edition of It's A Wonderful World captures it perfectly. It is designed for your tablet to be held sideways and has good resolution, even when zoomed in. This was my first CnH eBook and a test of whether I should buy more. I will. I have been a fan since the beginning and am glad I can finally own copies that will remain in perfect condition no matter how many times I read them.0 of 0 people found the following review helpful. ... huge fan of Calvin and Hobbes so naturally he loved this giftBy TJMy grandson is a huge fan of Calvin and Hobbes so naturally he loved this gift.0 of 0 people found the following review helpful. When cartoonist Bill Watterson announced that his phenomenally popular cartoon strip would be discontinued, Calvin and Hobbes fans throughout the world went into mourning. Fans have learned to survive -- despite the absence of the boy and his tiger in the daily newspaper. It's a Magical World delivers all the satisfaction of visiting its characters once more. Calvin fans will be able to see their favorite mischief maker stir it up with his furry friend, long-suffering parents, classmate Susie Derkins, school teacher Miss Wormwood, and Rosalyn the baby-sitter. It's a Magical World includes full-color Sundays and has it all: Calvin-turned-firefly waking Hobbes with his flashlight glow; courageous Spaceman Spiff rocketing through alien galaxies as he battles Dad-turned-Bug-Being; and Calvin's always inspired snowman art. There's no better way for Watterson fans to savor again the special qualities of their favorite strip.
