**John Mole : It's All Greek to Me!: A Tale of a Mad Dog and an Englishman, Ruins, Retsina-and Real Greeks** before purchasing it in order to gage whether or not it would be worth my time, and all praised It's All Greek to Me!: A Tale of a Mad Dog and an Englishman, Ruins, Retsina-and Real Greeks:

0 of 0 people found the following review helpful. Well written such that you enjoy the stories and eventsBy JKThe

author's style is lightly descriptive to the extent that you achieve what he is attempting to portray. He writes in such a manner that keeps you interested without taxing you with excess. His characters so defined become realities. The culture and traditions portrayed recall simpler happy times of hard work, honesty, and one lacking class distinction. You'll be introduced to scenes and events that and people you wish to experience be a part of! Excellent book!

0 of 0 people found the following review helpful. Charming and Insightful  
By Glen G. Magnuson, Jr. Reminiscent of *A Year in Provence*, Mole provides a remarkably readable tale of his efforts to reconstruct an old stone structure on the Island of Horio. Humorous enough to keep us entranced but truly a vivid portrait of the Greek way of life. Charming, fun and informative.

By Loretta Martin-Halpine Quick, easy read that communicates the nostalgia of the author's experience for his Greek town. Enjoyable.

With unforgettable characters coming to life on every page, this humorous story of one family's search for the Arcadian idyll speaks volumes about learning to live, laugh, and drink Ouzo together while turning a tumbledown ruin into a place to hold their hearts.

A heartwarming story of realizing one's dream and sharing it together.... -- *The Midwest Book*, November 2004  
Mole writes affectionately in a warmhearted, entertaining tribute to a Greece he loves for its sensuality and earthy simplicity. -- *Islands Magazine*, January/February 2005  
Mole's entertaining memoir is a story of transformation—the house to a charming...home and the Moles to... "honorary Greeks". -- *The (Cleveland, OH) Plain Dealer*, October 16, 2004  
About the Author  
John Mole is the author of three novels and two business books including the incredibly successful *Mind Your Manners*, also published by Nicholas Brealey. He was educated at Oxford University and INSEAD. He can be contacted through his website [www.johnmole.com](http://www.johnmole.com)
