The Gang : It's Always Sunny in Philadelphia: The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today before purchasing it in order to gage whether or not it would be worth my time, and all praised It's Always Sunny in Philadelphia: The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today:

1 of 1 people found the following review helpful. This book is highly entertaining and reads just like an episode of the television show
By Customer
This book is highly entertaining and reads just like an episode of the television show! It also provides a lot of fun details and backstory about the characters that have never been mentioned on the show itself. This book isn't necessary to enjoy or understand the show on a deeper level at all, but it's a great supplement to the series.
0 of 0 people found the following review helpful. Great
By chelsea*smh* dennis ... charlie ... just so great.
This changed my life for the better. Thank you so much gang.

By pra4snw
This was a gift I gave to my brother in law. We laughed out loud while just thumbing through it and reading some of the passages. Yes, it helps to be a fan of the show, but even if you aren't, you would still probably find something to laugh about.

“The Gang” from *It’s Always Sunny in Philadelphia* attempts their most ill-conceived, get-rich quick scheme yet: publishing a “self-help book” to hilarious, sometimes dangerous, and often revolting, results. The Gang may have finally found their golden ticket. Left alone to close down Paddy’s Pub one night, Charlie Kelly inadvertently scored himself, and his friends, the opportunity of a lifetime—a book deal with a real publishing company, real advance money, and a real(ly confused) editor. While his actual ability to read and write remains unclear, Charlie sealed the deal with some off-the-cuff commentary on bird law and the nuances of killing rats (and maybe with the help of some glue fumes in the basement with an unstable editor on a bender). While The Gang is stunned by the news, and the legally binding, irrevocable contract left on the bar, they are also ready to rise to the task and become millionaires—and of course, help Charlie actually write the book. In their own inimitable voices, Charlie, Mac, Dennis, Sweet Dee, and Frank weigh in on important topics like Relationships, Financial Success and Career, Fashion and Personal Grooming, Health and Diet, and Survival Skills, providing insane advice, tips, tricks, and recipes (Rum Ham anyone?) as only they can. Fans of *It’s Always Sunny in Philadelphia* rejoice and welcome the most influential work in the history of the written word (or at least since the script for *The Nightman Cometh*): *The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today*.
