I always look forward to changing it at the end of every month to see what the next one says. I usually "cheat" and look at all the "pictures" on calendars when I get it but I have resisted doing that with this one because I actually wanted it to be a surprise for some reason. Maybe something to do with demotivation :-P0 of 0 people found the following review helpful. Best Christmas Gift for 2016By ColleenRobinEveryone gets a Calendar as a Christmas gift from me. This one is a riot, so I bought a few of these to give as Christmas Gifts. Calendars are THE perfect Christmas gift, especially if you can match a Calendar with the recipient....I had a few people who were going through hard times and needed a laugh and these fit right in...it's just NOT their day. Not only are these funny, these were well-made and cute.0 of 0 people found the following review helpful. This calendar is great. Not only is it delightfully snarkyBy kc0930This calendar is great. Not only is it delightfully snarky, but it's also big enough that it can hang on my office wall and I have plenty of room to write all my daily appointments/meetings, etc without being overwhelmingly large. I would absolutely purchase next year's calendar!

Have a great year. Or don't. This demotivational calendar says enough with the constant overload of happiness, self-motivation, and you can do it! Every month, a tell-it-like-it-is phrase dressed up in fanciful hand-lettering and cheeky art for an effect that's unexpected and utterly hilarious. There's the refreshingly honest: "I just really hate doing stuff." The blasé: "Nothing happens for a reason." The downright glum: "It will probably get worse." And advice with attitude: "Just give up." Finally, a calendar that gets it. Includes a punch-out "EVERYTHING SUCKS" banner.
