one has to be a good writer in order to write bad opening first paragraphs for non-existent novels. Most of the entries in this book are funny, and some are tear-causing side-splitters. If you want to laugh, buy this book.0 of 0 people found the following review helpful. Hilarious and inspiring!By Gail FeddernI love all these Dark and Stormy books. Too bad they are out of print. They are hilarious! I am inspired to enter the contest, which is ongoing.0 of 0 people found the following review helpful. Very funny.By ChristopherIgnore the multiple choice questions above. This isn't a book with a plot...rather it's a listing of the results of a clever contest. Very funny.

The fourth collection of hilarious selections taken from the Bulwer-Lytton Fiction Contest for the best of bad fiction. The world-famous competition seeks to find the most atrocious opening sentence to a hypothetical lousy novel. Here are entries from the past three years, plus Rice's advice on how to write in the Bulwer-Lytton mode.
