Bean products since the 1950's and this catalog spoof is one of the funniest things I have ever read. I have both "catalogs" and to me "Items...." is better than "More Items...". Very entertaining and I laugh every time I read it anew. By the way, L.L. Bean really does stand behind its products.0 of 0 people found the following review helpful. Five StarsBy DukeExtremely funny parody of L.L. Bean Catalog items, which my first girlfriend wanted me to buy wear.0 of 0 people found the following review helpful. Five StarsBy Frankie CrawfordI love it. So clever.

Catalog Motto:"We believe in the Quality and Value of Our products as well as the determination of our Customers to outfit themselves beyond the restraints of necessity, reason or credit limit."
