Nicola Dixon : Itty Bitty Buddha (Miniature Editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Itty Bitty Buddha (Miniature Editions):

Itty Bitty Buddha includes a laughing Buddha with its own stand, an incense holder, a portable altar, and a 32-page book outlining the basic elements of Buddhist teaching, including meditation. Make the Buddha's joy your own as you embark on the pathless path to nirvana!
