**C. J. Henderson : Jack Hagee, Private Eye** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jack Hagee, Private Eye:

Ex-military Intelligence, former police detective, and the last honest man in New York City — Jack Hagee is bad news for the bad guys. Three all new tales of the mean streets around us today, plus the previously published "The Little Voice Inside."

About the Author CJ Henderson (1951-2014) was the creator of the Jack Hagee hardboiled PI series, the Piers Knight supernatural investigator series, and many more. Author of some seventy books, as well as hundreds and hundreds of short stories and comics, as well as thousands of non-fiction pieces, this prolific writer was known for action, adventure, comedy, horror, fantasy, and science fiction. He handled much of the work for Moonstone Books' highly successful Kolchak: The Night Stalker franchise.
