Mike Elliott : Jake and Bob: Stories of the Poplar Bluff PD before purchasing it in order to gage whether or not it would be worth my time, and all praised Jake and Bob: Stories of the Poplar Bluff PD:

0 of 0 people found the following review helpful. He obviously didn't have any of the great English teachers that I had growing up in PBBy PBHSPoorly written (NEEDED an editor). He obviously didn't have any of the great English teachers that I had growing up in PB. Great idea for a book. Could lighten up on the profanity. The book puts Poplar Bluff in a very bad light. If I hadn't grown up there, I certainly wouldn't visit!!! Definitely a bathroom reader.0 of 0 people found the following review helpful. Five StarsBy tim merrittGREAT BOOK, CANT WAIT FOR THE NEXT

ONE0 of 0 people found the following review helpful. Funny and fast read.. Keep in toiletBy CustomerFunny as hell..a little pricey so stick with kindle.Each story is about a poop long so keep in bathroom.

All professions have their stories. These are the stories of the police of Poplar Bluff, a smallish city at the foothills of the Missouri Ozarks. Stories that men who need heroes and comfort tell each other. They define a certain aspect of a police officer's life in Poplar Bluff. Sometimes sad, often funny, but always told in the voice of real coppers-they are our legends and folk history.Follow Jake and Bob as they try to figure out just what it means to be a police officer. Maybe in the end you will find out for yourself.

About the AuthorMike Elliott is a Narcotics detective with the Poplar Bluff Police Department with over twenty years of service under his belt (a belt that is continually growing). He spends much of his time holding on until retirement without killing anyone. He wrote this book as a tax scam.
