**Sherwin Presley Brown : Jamerican: The Gift of Poverty** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jamerican: The Gift of Poverty:

1 of 1 people found the following review helpful. Fascinating...truly a must read!By SheilaAn page-turning story from someone who went after the American dream and achieved success even though many hurdles were thrown in his way. Once I started reading, I couldn't wait to finish. Each chapter I found myself wondering what obstacle would come next, and re-reading a chapter to make sure I didn't miss anything!! You will not regret buying this book. I applaud you Mr Brown, you are truly an inspriation to everyone.0 of 0 people found the following review helpful. A

MUST READ!!!By Khristina RoseI thoroughly enjoyed reading this book. I made a special connection with it, as there are many references to members of my own family (The Roses). I'm very proud, as a fellow Jamaican, of the accomplishments Sherwin was able to achieve, no matter what obstacles were in the way. The book was well written and laid out properly to ensure an easy read. I don't read many books twice, but this is definitely one that I will keep going back to!0 of 0 people found the following review helpful. This book should be made into a movie !!  
Inspirational !By JagThis book should be made into a movie !! The book takes you through the authors life with so many twists and turns, on his pursuit of Life, Liberty and Happiness. I started reading the book on a flight back home, and I could not put the book down.. Truly amazing story telling and a book with a huge personality.. If you have a faint heart, I would recommend skipping the chapter on British Broadcasting Corp and tourists :)

Jamerican: The Gift of Poverty is the inspirational true-life story of Sherwin P. Brown, a poor Jamaican boy who grew up barefoot in the jungle to become a top stockbroker in America. Brown's life is an improbable true-life roller coaster of ups and downs-often humorous, sometimes sad-that cannot be put down. Inspired by his mother's intellect and his father's never-say-die work ethic, Brown's journey is an inspiration to Jamaicans, Americans . . . to anybody who seeks success. Not only did Mr. Brown's journey start in poverty, it also started in a third-world country. Unlike many other successful immigrants to America, Brown's success came from sheer hard work-no special tax breaks or other governmental favors. His life is a blueprint for happiness. Jamerican will entertain, inspire, and make you laugh and think. Mr. Brown tells a story that takes place over decades, and he does so in a very easy-to-read and breezy style that's a pure joy to read! Once you start reading, you cannot put this story down.

Have you ever found yourself slowing your reading pace because you don't want a book to end? That's what happened to me with this book.
