If You Have The Other Foxtrot Books This Is A MustBy Rich(?????????)While it's been sad that Bill Amend no longer does the daily comic strips it's still enjoyable that he gives us a laugh or two every Sunday with the hijinx of the Fox family and friends.No worries if you already have the earlier Foxtrot books as this isn't a copy of any of the strips those have. So while again we no longer get the daily humor we still have every Sunday to look forward to as we as this book to keep giving us a laugh or two.0 of 0 people found the following review helpful. Fun comic. This is a good collectionBy Ryan Edward SpackmanFun comic. This is a good collection, all color. I just wish he still did daily strips.0 of 0 people found the following review helpful. Keep on dancing....By TXBKLadyAlways a trip down nostalgia lane to read these collections - I was the only girl in my family with two brothers and this "FoxTrot" helped me get through high school without killing or seriously maiming either of them! Still makes me laugh after all these years.

Foxtrot distills popular culture through the lens of everyday family life—offering a deft and humorous critique on society's latest comings and goings.Bill Amend's Foxtrot skillfully depicts suburban living through the cavortings of the Fox family. Peter, Paige, and Jason, along with parents Roger and Andy, comment on the latest Hollywood fads, gaming fixations, and familial fascinations. As the 27th Foxtrot comic collection, Jasontron: 2012 features all full-color Sunday strips published from September 2009 to Spring 2012. Jason continues to craft exploits at Paige's expense, while Peter suits up for the next big game. Parents Roger and Andy keep up with their children's antics, as Roger vigilantly monitors his hairline and his burrito intake, along with Andy's attempts to create Peeps from tofu and saffron. With appearances in the New York Times crossword puzzle and on television's Jeopardy! and The Sopranos,

FoxTrot frequently finds itself an integral part of the popular culture that it so often critiques.

About the Author Bill Amend was named Outstanding Cartoonist of the Year by the National Cartoonists Society in 2007. He creates FoxTrot cartoons for Sunday newspapers and maintains an online presence at foxtrot.com. He lives in the Midwest, with his wife and two children.
