Pelham Grenville Wodehouse : Jill the Reckless before purchasing it in order to gage whether or not it would be worth my time, and all praised Jill the Reckless:

1 of 1 people found the following review helpful. Classic WodehouseBy CustomerThe theme is an old one - adventurous young woman falls on hard times, is eventually rescued by her own insights into the men in her life, and finds happiness and success in marriage with the one who seemed the least promising. So it isn't the plot that makes Jill the Reckless good reading, it's Wodehouse's ability to find just the right words and phrases. Wodehouse's genius as an author was in his ability to craft his humor by stringing together words in the funniest ways you wouldn't imagine. Jill the Reckless isn't Wodehouse's best story - for that you will need to look to His Jeeves and Bertie universe - but I can recommend it if someone is just looking for a light, fun, non-thought-provoking diversion.0 of 0 people found the following review helpful. Terrific characters full of agency and flawsBy NarrelleAn early comic romance from PG

Wodehouse. Terrific characters full of agency and flaws. Enormous fun.0 of 0 people found the following review helpful. WNDERFULBy Kindle CustomerJill is from London and has a tiff with her fiance so she goes to America soon to be followed by a childhood friend who Well he still keeps her picture. A worried fianc, a confused girl, and a patiently waiting lover all make it in this true Wodehouse masterpiece

About the AuthorP. G. Wodehouse (1881 1975) spent much of his life in Southampton, New York, but was born in England and educated in Surrey. He became an American citizen in 1955. In a literary career spanning more than seventy years, he published more than ninety books and twenty film scripts, and collaborated on more than thirty plays and musical comedies.
