What Others Are Saying About The Joel Osteen "Quotes" Book: I want to thank God for using you to inspire me. This book was very uplifting for me. As Christians sometimes we may not know where we stand or what we have a right to and this book opens your mind to see past yourself. This book is a great tool to assist in taking my eyes off the negative things in my life and focus on the positive... And without a doubt your book is surely one of those tools... Matys review I love his quotes. Seems to cover every aspect of life. It's simple and to the point... By Linda L. (Idaho, USA) What Others Are Saying About The Joel Osteen "Jokes" Book: This little book by Don Pasco is a joy to read, especially if you are a fan of Joel Osteen. His messages each week start off with a clean, funny joke, and it really breaks the ice for some people who would normally not tune in to a TV preacher. Joel's personality is great-he always has a smile and an inspiring word. If you are a person who feels negative when you think of TV pastors, I encourage you to watch Joel one time and see if you feel the same. I think he will bless you, and thanks to Don for writing this book. By Terri (Scottsburg, Indiana) My husband and I had a very good time reading this book. The jokes are great, and we had some good laughs together. Our favorite joke was the one with Satan himself turning up for a Sunday morning church service. We found it in the chapter: "Miscellaneuos". Highly recommended! By Lis S.
