John Finnemore : John Finnemore's Souvenir Programme: The Complete Series 3 4 before purchasing it in order to gauge whether or not it would be worth my time, and all praised John Finnemore's Souvenir Programme: The Complete Series 3 4:

1 of 1 people found the following review helpful. Very funny British comedy By Heidi Johnson Love this show. I have series 1 through 4 and have played them all about once a month. Some of the humor is very British and beyond my American culture base but I can at least get the gist of most of the jokes and they are hilarious. I will continue to be a big fan for the rest of his career. 7 of 7 people found the following review helpful. A must have! By Capricorn I have listened to all of this on the Radio, from season one. It's hilarious! Some of the made-up stories bring you to tears because there are situations that you encounter on a daily basis but you never thought about turning it into a radio show - thank god John Finnemore did! It's relatable, brilliant and extraordinarily acted, not only by Finnemore but by his left, centre, up and down wingmen and women, Simon Kane, Carrie Quinlan, Lawry Lewin and Margaret Cabourn-Smith. The only downside? You'll get addicted and you'll start singing weird songs around friends. But it's okay if you're the kind of person who doesn't really care what other people think. Personally, I love it.

The complete fifth series of BBC Radio 4's award-winning sketch show, written by and starring the writer of Cabin Pressure. John Finnemore's Souvenir Programme has won a host of awards, including the 2015 BBC Audio Drama Award for Best Scripted Comedy with Live Audience. Written by and starring John Finnemore, this fifth series of the hit show returns with more witty wordplay and laugh-out-loud sketches. These six episodes include an unlikely wager,

a troubled bluesman, a rip-roaring adventure on the high seas, a new approach to the News, and, well, since you asked him for a tale of espionage . . . In addition, the voices in John's head push him to the tipping point, we look back at a career in accounting, hear of an overrated experience and, we're sorry to say, Patsy Straightwoman returns with an interview sketch. John Finnemore's Souvenir Programme also features Margaret Cabourn-Smith, Simon Kane, Lawry Lewin, and Carrie Quinlan. Duration: 3 hours."
