badly formatted, with missing phrases, transposed paragraphs, etc. I'll wait until this book is formatted correctly before reading it all and reviewing it again. I also never liked "YO MAMA" jokes -- belittles some people. 1 of 1 people found the following review helpful. This book is so full of typos, missing words ...By bradford g wheler This book is so full of typos, missing words and jokes repeated on different pages that it totally takes away from the pleasure of reading it.
