**Jerry Harwood : Jokes for Kids from the School Bus** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jokes for Kids from the School Bus:

1 of 1 people found the following review helpful. Excellent for school aged kids!!By KatieI am a sub-teacher for the grades 6-8. I took this book into my classroom and read the jokes to the kids during free time. They loved it! They were trying to guess all the answers and the jokes were clean and simple which is a huge plus for the school environment. I make sure to keep it with me when I get called into work.

Have you ever wondered what kids do while riding the school bus to school? Well, on Jerry Harwood's school bus everyone enjoys creating and sharing jokes and funny stories. Jokes From The School Bus is his compilation of some of those humorous expressions. Children love to read and tell stories. Reading and telling jokes can help fill the needs of a child who's had a rough day, or even encourage poor readers to read. Jokes From The School Bus, with its sections on pet jokes, scary jokes, state jokes, as well as others, certainly meets these needs. Filled with amusing quips and illustrations, this book has been tested by school children and received an A+ for humor.
