Good for the bathroom. 9 of 9 people found the following review helpful. Need a Laugh? By takingadayoff "I never panic when I get lost. I just change where it is I want to go." "The

town where I grew up has a zip code of E-I-E-I-O." "Black holes are where God divided by zero." If you like one-liners, you will enjoy *Jokes to Go*. Most of the entries are one or two lines, and nothing is longer than about a third of a page. There is everything from Henny Youngman and Jackie Mason to Jimmy Fallon and Chris Rock. Lily Tomlin, A. Whitney Brown, Steve Martin, Steven Wright, Margaret Cho, Rita Rudner, Marga Gomez, Dennis Miller, and a few dozen others are all represented here. The jokes range from current events (George W. Bush jokes, for instance) to borscht belt humor to social commentary. So what are you waiting for? Buy it, already! 0 of 0 people found the following review helpful. *A Bunch of Stand-up Jokes that Don't Don't Stand up in Print* By Herbert L Calhoun Even though there are a handful of real zingers, this is not a very good Joke book. On the whole, most of the jokes range from "ho hum" to "bad." They may have worked in a TV or a stand-up environment, but fall flat in print. This author seemed completely insensitive to this difference in change in context and venue. One star

Jay Leno on Accidents: "There was a 194-car crash in L.A. Luckily, the guy in the first car was still able to complete his cell phone call." Janette Barger on Hair: "I refuse to think of them as chin hairs. I think of them as stray eyebrows." Drew Carey on Exercise: "They say that exercise and proper diet at the keys to longer life. Oh, well." Betsy Salkind on Birth: "I've always, always wanted to give birth. To kittens. I figure it would hurt less, and when you're done, you'd have kittens!"
