ThackerThis is a lovely coloring book and grayscale makes shading so easy. However, the paper is very rough and after 3 layers of colored pencils, white spots from the paper still are there. I'm so disappointed. This paper will never color smoothly2 of 2 people found the following review helpful. Joyful Christmas Grayscale Photo Coloring BookBy cbfraser'JOYFUL CHRISTMAS colouring book for adults' is a fantastic book! A friend sent me a few pages from it to colour, I enjoyed colouring them so much that I just bought my own book.It's wonderfully illustrated the grayscale pics are so much fun to colour.Anne Manera puts her 'all' into her books so when I see a new release like this one, I look for a it's book review, then can't wait to purchase it.***If you're going to buy any book for the Christmas season, believe me, this is the One book You definitely should buy!***
