Steve Cosmic : Junk Food for Your Inner Child before purchasing it in order to gage whether or not it would be worth my time, and all praised Junk Food for Your Inner Child:

Cutting edge humor about everyday life. This book covers topics like How to be Un-Romantic, Being Dysfunctional, Inflatable Dolls, How to Write Like a Lesbian, The Advantages of a Boring Life, What Dead People Think, Removing Duct Tape from a Cat, Over 40 Singles Pointers, How to Have a Good Relationship and lots more. Much of it is politically incorrect, and some of it is twisted. For your coffee table, for a weird friend, for fun.
