Laughter is the best medicine. It can help you heal, rejoice and provide relief from all the tensions that our lives are so burdened with all the time. I bought this book before a trip and the witty humour made my otherwise long journey very interesting and enjoyable. People around me thought that I was insane as I could not control my laughter and laughed out loud every two mins. A wonderful book to have for a journey or for your daily dose of laughter. Thoroughly enjoyed the humour ! And the best part was that every joke is accompanied by a picture which helps you get a real feel and get into the soul of the joke. And Now I am sharing all these jokes with my little six year old and she is loving it too. 0 of 0 people found the following review helpful. Many jokes are degrading...By Sasha Cannon Many jokes are not appropriate not only for kids, but for any age. E.g. Joke 5 makes fun of an elderly. Joke 6 makes fun of a mental hospital patient and refers lightly to such tragic act as person's death by hanging. Joke 7 depicts an act of violence. Joke 25 is about an unfortunate family with alcoholism problem and makes light of a man badmouthing his wife. Joke 35 is a play on the word "s***". Joke 36 describes how a husband makes fun of his overweight wife to her face. Joke 58 is sexist as it stereotypes women as persons who are talkative. Do I need to go on? I gave this two stars only because those jokes that are clean are frequently funny indeed, linguistically clever and appropriate for children. They represent a play on spelling, or use of colloquialisms, and make one think differently about common sayings. I probably would remember the clean jokes and use them with my son here and there, but I would not read them directly from the book for the content I find questionable. 0 of 0 people found the following review helpful. Funny but some jokes aren't suitable for kids. By paulim 24 this had some funny jokes but i kind of have a problem with the title being "laugh out loud jokes for kids" , now one joke i found completely hilarious however the joke was definitely an adult joke, not sure if anyone noticed this but the joke "Why does Santa have a big Sack" and the answer being "because he only comes once a year" now emphasize the word "comes" and the word "sack" as in Ball Sack. if your not a kid you can probably figure out the double meaning of this joke. This joke Definitely shouldn't be in a joke book for kids and is possibly the most inappropriate joke in the book by far.
