A brilliant coloring book from a very generous author!By K.K.This is a great coloring book on a couple of levels: The best part, in my opinion, is the beginning where the artist gives you detailed, but not difficult instruction on how to improve your coloring. She takes you step-by-step through shading, layering,blending, shadowing, and is very generous in sharing which coloring media she prefers and why. Honestly, it's like getting a free art class! She, then, features several of the drawings in the book which have been colored by other colorists and shares which coloring media they used. This is enormously useful especially to beginners. Then the rest of the book is filled with pages to color of beautiful, peaceful, and whimsical garden scenes with flowers, trees, animals and little fantasy houses and landscapes. Hints and techniques are offered throughout below pictures you color which are on a perforated bottom of the page for easy removal. You will get a lot of art instruction as well as tons to color from the generous heart of this artist. This is money well spent!0 of 0 people found the following review helpful.

Very nice pictures by this artist!By BevGVery nice pictures by this artist. I'm almost finished my first book by her and am looking forward to this one. Her pictures bring out the "kid" in our imagination.0 of 0 people found the following review helpful. Very nice bookBy musicmommaThis is a very good coloring book. I have a lot of adult coloring books and this is one that I turn to often to color pictures. I like pictures with flowers in them. So this is one that I look at often.

Visit an enchanted garden where gnomes guard secret treasures, animals can talk, and mysterious flowers bloom! This bewitching coloring book will whisk you away to a land of fairy tale make-believe. From mushroom homes and hidden cottages to the carriage that turned into a pumpkin, each magical drawing is ready for easy or advanced coloring depending on your mood. Social media trendsetter Krisa Bousquet offers dozens of her intricately detailed illustrations, ready to color with markers, colored pencils, watercolors, or gel pens. Krisa gets you started with handy coloring guides that include suggested color palettes and fully colored examples. Printed on one side only of archival-grade, acid-free, 200-year paper, each perforated page detaches easily for gifting or display.

About the AuthorTexas native Krisa Bousquet started drawing her magical illustrations as a simple way to pass the time. Her biggest influences are the world around her especially flowers, nature, and the human face. But drawing quickly grew from hobby to obsession as her art grew more detailed and refined. As the creator of KC Doodle Art, Krisa is very popular on social media. Visit her [KC DoodleArt YouTube channel](#) to view her many beautiful and educational coloring videos.
