It is full of amazing quotes that I haven't found too many other places- some of them are my new favorites. I have let so many friends read this as well- it really does help you through any tough times you may be experiencing.0 of 0 people found the following review helpful. AlrightBy cjThis book was a lot smaller than expected, and the color seemed faded. Also, there were markings on the side of the pages. Someone had marked across the side of the book with a black marker. Not a great buy.

Packed full of cheery motivational quotes, proverbs and mantras, *Keep Calm and Carry On* is an uplifting gift book meant to give you a boost through troubled times. Discovered on a poster created by the British Ministry of Information for British soldiers before World War II, the slogan still manages to strike a chord in our current difficult times. "Success is the ability to go from one failure to another with no loss of enthusiasm." --Winston Churchill "Don't judge each day by the harvest you reap, but by the seeds that you plant." --Robert Louis Stevenson "It's a recession when your neighbor loses his job; it's a depression when you lose your own." --Harry S. Truman
