**H. A. Rey : Keep Curious and Carry a Banana: Words of Wisdom from the World of Curious George** before purchasing it in order to gage whether or not it would be worth my time, and all praised Keep Curious and Carry a Banana: Words of Wisdom from the World of Curious George:

0 of 0 people found the following review helpful. Great book, horrible shipping  
By Amber Garabrandt  
This is an adorable, uplifting book of cute little sayings. Geared toward those just starting into the world (graduates of any age), it rings true for all. The addition of gorgeous pictures with a well loved character makes it perfect. Sadly, they went cheap with the packaging, gluing a piece of cardboard around my book. When I got it the hard cover had several indentations and there was a huge dirt smudge on the corner of the front cover. Had this been a gift for somebody, I would not have wanted to give it in this condition. I would have had to buy another copy at Target.  
1 of 1 people found the following review helpful. A perfect gift for adults or children  
By J. Gray  
This adorable little book is an excellent gift for any child, or even an adult. It's full of little aphorisms that illustrate important life-lessons, like, "If there is an elephant in the room, address it." Keep several, for last-minute gifts.

By Margaret Robertson  
This book was purchased to be used as a gift for a person named George. It is great and I think George will love it. Thanks.

For more than seventy-five years, the world of Curious George has delighted readers with its playful charm and deceptively simple wisdom. Fans of the Keep Calm and Carry On craze will find comfort in this Georgified version of the popular book format. Each inspiration is humorously accompanied by an illustration from the original works of H. A. Rey's Curious George books. Sure to make readers chuckle as only George can, this book is packed with inspiration and humor. It's the perfect gift for all the curious people in your life!

About the Author  
Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious George was published in 1941. Curious George has been published in numerous languages. And many, many Curious George books have followed.
