From senior moments to strange folk, this book will keep you in stitches! "Horace Vinson is a faithful friend who has encouraged me and made me laugh many times for over 35 years. He is one of the funniest men that I know. I am glad that he has published this great book of his jokes and stories so many others can enjoy his humor. The Bible says that a merry heart is like a medicine and this book will make you laugh, so read it and get better!" -Mike Coleman, President CEO, Integrity Media "Horace Vinson's sense of humor is one of the best. I have known Horace and Ann for many years, and he enjoys laughter and bringing laughter as much as anyone I know. He and I have swapped more stories than either of us can remember. This book would do anyone good since laughter is indeed the best medicine. Horace is a doctor of joy!" -Charles Simpson, founder of CSM Ministries, international speaker "Keep 'Em in Stitches is a fun read that comes from a pastor's heart desire to bring joy into the life of the believer. You will laugh...and you will be entertained. You will also receive good medicine for a heavy spirit. I commend Horace for his work, and commend this book to you." -Richard J.
