BENEATH THE CITRUS TREEBy f hampton bumgarnerA GREAT, well written, steady, balanced, and a concise story and experience, AND ESSENTIAL TO ANY IN EARNEST LOVER OR STUDY OF JACK..... a foundational work at the core of one of America's greatest, yet then troubled. writers. What a gift!This is an apparent and real witness and sentinel to Kerouac's ordinary personal life legacy, as well as to his writing itself, in those years when it seemed he simply dissolved or faded away into an earthly misery. Written by one of the men and friends who KNOWS the truth of this Jack's life....And who can ever forget the photos of Jack and citrus in the back yard, never seen by me. Thank you Bob, and Jack. .0 of 0 people found the following review helpful. excellentBy joseph h johnson jrexcellent description of subject, well researched and well written. would have likedmore pictures. I found description on time period dead on .1 of 4 people found the following review helpful. K in FLA- and a HouseBy Steve DosseyThis is not properly a biography--more a writer's literal journey into past neighborhoods where Kerouac spent his time(s) in Florida. A biography that inserts the writer is always annoying to me. The writer tells of his quest and his impressions. I don't really care, I am more interested in the facts...There are recollections from locals about Kerouac's life but they are distanced and circumstantial, nothing is very comprehensive or revealing. This book is about a house Kerouac lived in and how it was designated as a historical place (Orlando) and now a residence for writers to be. A noble enterprise, no doubt. The problem here is the

research is weak and those who really knew Kerouac are long dead.

Book by Kealing, Bob

"Kealing's engaging, friendly style sweeps the reader along as each new address, each surviving neighbor, becomes an opportunity for discovery." --Orlando Sentinel
"Kealing doesn't shy away from the sadness of the man...he also captures the fierce energy of the writer." --Saint Petersburg Times
"Surprisingly poetic"--Orlando Weekly
