**Mike Benny : Kids' Nuttiest Jokes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kids' Nuttiest Jokes:

0 of 0 people found the following review helpful. Great.....if you were born decades ago :/By "New mom" after 10 years I bought this for my 8 year old daughter who loves to tell jokes. We would laugh...because we're 40 something...then we would explain to her why it was funny. More work than it's worth.

Did you hear the one about the artist with a poor memory? He kept drawing a blank. Or the kid who didn't like school? It was the principal of the thing. Want to know what you call a deer with no eyes? No eye-deer. You'll go nuts over every one of these hysterical puns, wacky wordplays, and riotous riddles. And the crazy and clever drawings make each joke even funnier. What kind of lotion do monsters wear at the beach? Sunscreen! How did the comedian like his eggs? Funny side up. Why did the three pigs leave home? Their father was a boar. You'll have hours of fun!
