**West Side Publishing Staff : Kids Say the Cutest Things About Teachers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kids Say the Cutest Things About Teachers:

Did you know that teachers use magic chalk to write in perfect cursive? And to become a teacher, you take an eight-hour quiz ? Kids Say the Cutest Things About Teachers is packed with precious insights and witty remarks about teachers. Charming illustrations by Amanda Haley accompany each quote. With space on the first page for a personalized inscription, Kids Say the Cutest Things About Teachers makes a wonderful gift. Here s are some of the children s quotes you ll find in Kids Say the Cutest Things About Teachers: My teacher loves ABC order. We sit in ABC order. We line up in ABC order. I wonder if she calls her kids to dinner in ABC order. On my birthday, I wished there wouldn t be a test. I guess my teacher didn t get the message. I hate practicing spelling. You miss one letter and the whole word s wrong. Teachers do a lot of stuff when they re not in school. In summer, they barbecue. In winter, they have snowball fights.
