the following review helpful. Good, clean HumorBy Jennifer JahnSuch a good book for the family. Bill Cosby has a clean sense of humor but he is such a genuinely funny guy. Not raunchy like most of the comedians now days!2 of 3 people found the following review helpful. FunnyBy Ana NaglicI laughed out aloud while riding on a tram and reading this book. Hilarious. My favourite story is about a girl who wants to become a nun.

Bill Cosby is classically funny. Now, as the star of CBS-TV's "Bill Cosby's Kids Say the Darndest Things" he again has the perfect platform to bring out the best in all people through the hilariously honest, witty and touching statements of all kinds of children. Now, this sure-fire combination will take to the printed page in the must-have book of the season.
