to a page that doesn't make sense in the story.5 of 6 people found the following review helpful. A Hidden GemBy AwesomeNameThis is an overlooked gem. At times humorous and at other times dark, Killing Hitler With Praise And Fire is worth picking up. This is especially true for those of you who grew up with choose your own adventure books! It's a nostalgic romp through an often forgotten type of novel.2 of 3 people found the following review helpful. I love alternative historyBy TommyCreative! I love alternative history.

Killing Hitler With Praise And Fire is a choose your own adventure type gamebook about killing or eliminating Hitler to make the world a better place. Play as a time traveller from the year 2525 and explore 13 different time periods with over 100 different endings. Options for victory range from the standard shoot Hitler in the face to the darkest lovecraftian horrors.

"I enjoyed the story, I took the WW1 path and tried to take him out early and successfully got myself mugged! Just like a Saturday night out at home!" KirkusAbout the AuthorMatthewHutchins is a novice Australian writer having so far released two books, Ulfus and Killing Hitler With PraiseAnd Fire,the first in a line of choose your own horrible history books.
