**Webster Bull : Kittery Kayaker (Little Limericks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kittery Kayaker (Little Limericks):

3 of 3 people found the following review helpful. charming bookBy readaholicWhat a fun book! The poems are really clever, and the pictures are dazzling...really engaged my kids with the details and smiling animals. Anyone who's been to Maine would love this book, and kids will pore over the gorgeous, rich pictures.

Giggle with a kayaking moose, a rich bear from Bangor, and ten other animal characters, in a new collection of limericks for all ages.
