We did it over the course of a week or so, when we had the time. Sometimes we put in outlandish answers, sometimes sweet, sometimes just goofy. It was perfect for her age. This book may be more geared to adults, but it worked just fine for our girl. Somehow reflecting on our wishes for her and our admiration for her as a person was a gift for us too. 0 of 0 people found the following review helpful. Very recommendedBy CustomerI really loved knock knock Happy Birthday book. I greatly recommend this cute book!! I had so much fun writing out things and when I gave it to my friend we couldn't stop laughing until the end. My friend even exclaimed, every person should get something like this in life. It is cute and funny :) We loved it! 0 of 0 people found the following review helpful. Fun books!By Aimee A. Fun book. My husband got such a kick out of it. These books are fun because it is nice to write about someone and have them read it in person. A breath of fresh air away from social media and texting!!!!
