Martyn Demas : Knock-Knock Jokes for Kids and Adults From 9 to 90: 101 Clean and Witty Knock-Knock Jokes for Your Amusement before purchasing it in order to gage whether or not it would be worth my time, and all praised Knock-Knock Jokes for Kids and Adults From 9 to 90: 101 Clean and Witty Knock-Knock Jokes for Your Amusement:

0 of 0 people found the following review helpful.) so it's never as funny as you'd expect (if you were teaching young NES ...By Mark WallinderSafe, corny jokes that still get a chuckle here and there. Teaching comedy as an ESL class is quite a bit about vocabulary (puns, etc.) so it's never as funny as you'd expect (if you were teaching young NES learners). You really do have to explain everything. Pronunciation is also a huge factor as so many jokes fail if you can't hear/understand the punchline. The good thing is, you can memorize many of them, if you don't already know them, and you can rattle them off at parties, or in the office. Even with the NNS, sometimes we all can't help but laugh a little bit.0 of 0 people found the following review helpful. Cute jokes. Something you can have on the table ...By CustomerCute jokes. Something you can have on the table and not be embarrassed about it!0 of 0 people found the following review helpful. PerfectBy Boylston BobbyGranddaughter loved it (11 years old).

Martyn Demas has always enjoyed knock-knock jokes and over time kept a notebook where he wrote down some of his own ideas for these kinds of jokes. This is a compilation of 101 of the best that he could come up with so far. According to Martyn, he hopes that these jokes would give you just as much enjoyment as he had in thinking them out. If you enjoy jokes, please take a look at Martyn Demas' other book: Knock-Knock Jokes About Names: 101 Clean and Witty Knock-Knock Jokes About People's Names. Please note that this book will not be suitable for younger readers, as most of the words will not be in their vocabulary yet.
