**Ken Krimstein : Kvetch As Kvetch Can: Jewish Cartoons** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kvetch As Kvetch Can: Jewish Cartoons:

1 of 1 people found the following review helpful. Jews are funny - who knew?By Ken G.This collection of cartoons is always funny, most always snort chocolate egg cream out your nose funny, and immediately upon finishing, I was driven to pick up the phone and call my mother. So mothers, if your kids aren't calling, buy them this book.Some of the cartoons hit you over the head, and some are delayed reaction funny. But what's especially compelling about this collection is that whether you are Jewish or not, you'll recognize the universal humanity and humor that leaps off of every page(and if you are Jewish, you'll most certainly recognize yourself).1 of 1 people found the following review helpful. You don't have to be Jewish to love these cartoons!By West of the Upper West SideFrom know your cuts of pork on the front cover to the little Thurber-esque dog wearing a yarmulke on the back, I loved this collection of rapid-fire gags and zingers. Reading it brought me much oy and laughter. And if you're looking for a bargain -- and who isn't? -- this 90-something page gem costs only around 10 cents a laugh. Want a better bargain? Read it twice. And don't forget the high consumer holidays are coming -- I'm so glad I came across this book; I know what to give my

mishpucha for Hanukkah now! 0 of 0 people found the following review helpful. Hits a 10 on my Ha-Ha meter By B. Biederman "Kvetch" made me kvell. The squiggly cartoons are wry, well-observed and uniformly a hoot. Krimstein comes off as authentically Upper West Side as Zabar's, as soul-enriching as chicken soup with matzoh balls. Somebody else wrote - obviously inspired by Levy's bread - that you don't have to be Jewish to enjoy this book. But it couldn't hurt,

Hold on to your yarmulkes. Ken Krimstein has put together a matzo-ball-soup-through-your-nose funny collection of his unorthodox (sometimes Reform) Jewish-themed cartoons. This book will make you laugh, eat, and feel guilty all at once. It's like your Jewish mother that way. Speaking of which, would it kill you to call her? Taking on all things "Tribe" from the High Holidays to J-date, Kvetch As Kvetch Can is the perfect guilty pleasure (just add it to the list!)

About the Author KEN KRIMSTEIN'S cartoons have been published in the New Yorker, Punch, National Lampoon, the Wall Street Journal, Narrative, three of S. Gross's cartoon anthologies, King Features' "The New Breed" syndicated panel, Cosmopolitan, Science, Psychology Today, and more. He has written for New York Observer's "New Yorker's Diary" and has published pieces on humor websites, including McSweeney's Internet Tendency, Yankee Pot Roast, and Mr. Beller's Neighborhood.
