These are the best quality sketches of abs I have seen in some time. Made a great Xmas gift.

Philly artish Andrew Jeffrey Wright is not fooling around. This book is just as straight and direct as it sounds - nothing but buff dogs in smooth shades of cool color. Check out sweaty, panting canines in a casual variety of poses as they work out or try to cool down on hot, sultry days. There are no words to distract the eye, just a nice, simple and homemade look with no bones about it. It is what it is, and it's tite!

About the Author Andrew Jeffrey Wright is an artist and chief architect of Philadelphia's famous artist's cooperative Space 1026.
