0 of 0 people found the following review helpful. with some great Tex-Mex recipes and lots of great tales of Texas ...By knitwitI believe I got this little cookbook when I opened up an account at a savings and loan in Harlingen, Texas over 40 years ago. Written by a Texan, with some great Tex-Mex recipes and lots of great tales of Texas to go with them. My kind of recipe book, just wish it was more than 28 pages!If you're a Texan, you'll love this little book, if you're not a Texan, it may be over your head!
