Jennifer Briggs : Texas Speak Advanced Course before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Speak Advanced Course:

The person always looks at me like a "cow paddy on the rug" when I used certain sayings. This book explains several Texas sayings for people non-native to Texas. It even explains the difference between "Ain't and Aint". The author is from Fort Worth... Who better to teach "Texas Speak".1 of 1 people found the following review helpful. Cute book, bought as a giftBy tim smithFunny sayings for someone moving from California to Texas. Smaller than I thought, some of the sayings are more "country" than "Texan". Fun gift, but wouldn't order to read by the fire.0 of 0 people found the following review helpful. I think he will be very happy with itBy Betty L. BarbourI bought this for a friend in Belgium.I think he will be very happy with it.

This is the book for anyone stumped by the way they say it in Texas, or for those who need a refresher course in spoken Texian, or folks in plain need of a laugh. Jennifer Briggs explains the twang, the drawl and the colorful delivery that's made Texas a whole other country. Included is much Lone Star lore irreverently told. "Texas Speak Advanced Course," a self-standing sequel to "Speak Texan in 30 Minutes or Less," makes a great birthday gift, house present or stocking stuffer.

The Great Texas Line publishes useful and entertaining small books, 4.25 inches by 5.5 inches, reasonably priced at \$5.95. They make good remembrance or stocking stuffer gifts, and easily fit into a purse or pocket or glove compartment. -- Glenn Dromgoole --Beaumont EnterpriseAbout the AuthorJennifer Briggs is a freelance writer and author whose ancestors helped establish Texas as well as threw dead cats in passing vehicles on Halloween. At 18, she was hired by the Fort Worth Star-Telegram after serving as the Texas Ranger's first ball girl. At one point she assumed the persona of Betty Ann Stout, an outspoken but wholly fictional pro-wrestling columnist who drew a loyal following. Later she covered the Philadelphia Phillies and Green Bay Packers for other newspapers. Her books include, "Quoatable Billy Graham," "The Book of Landry," "Strive to Excel: The Will and Wisdom of Vince Lombardi," "A Very Brady Guide to Life," "Nolan Ryan: The Authorized Pictorial History." She and her husband Mike live in Fort Worth with three large dogs who eat windows.
