**Michael Close : That Reminds Me: Finding the Funny in a Serious World** before purchasing it in order to gage whether or not it would be worth my time, and all praised That Reminds Me: Finding the Funny in a Serious World:

0 of 0 people found the following review helpful. full of funny stuff By J. Spurway I had already heard a few of the jokes in this book, but most were new to me. I think the best way to read this is just 4 or 5 pages at a time. Otherwise you get joke overload. This would be a really good audio book. Hearing jokes can make them funnier than reading them. 0 of 0 people found the following review helpful. Great collection of jokes, but lots that are MEH By Robin W.

Payne You can find many of the jokes just by looking on the 'net for collections, but this is a great book for putting yourself in a good mood if you've had a hard day. Humor is subjective so you may laugh long and hard at many of the jokes or not. I found a lot that I laughed at and shared, but there were a lot I also thought were hardly worth the long buildup of reading to reach the punchline. It is not just a collection of jokes though and is a sort of autobiography of the author that you may find interesting if you're curious about a comedian's life. Worth the money for sure. 0 of 0 people found the following review helpful. Great and Funny Book! By Jose This book has a lot of great jokes and has brought a lot of laughs to me and my family. Michael Close is not only a great magician, but he knows many many funny laugh out loud, knee slapping jokes. I highly recommend this to anyone who loves reading and telling jokes.

Michael Close is an inveterate joke teller whose stories have brought gales of laughter from audiences around the world. For more than twenty years, Michael's friends and colleagues have eagerly awaited a collection of jokes from his enormous repertoire. That Reminds Me is that compilation - more than 250 of the best clean (and not so clean) jokes you've ever read. But this is much more than a joke book. Michael shares heartfelt reminiscences of the funny people who have enriched his life, stories of crazy personal experiences, and thoughts on the importance of "finding the funny" in your own life. This is the perfect book for anyone who needs a good laugh. Foreword by Penn Jillette [The jokes in this collection range from squeaky clean to R-rated. Words that you can't use on network television appear occasionally. If such language offends you, please don't purchase this book.]
