Five StarsBy Edward Hackney6 Year old loved it.0 of 0 people found the following review helpful. wonderfully funnyBy MelanieI absolutely disagree that this book is not ok. for kids. My kids love it. Of course, your kids have to have a sense of humor, and realize it is not ok to poop in the bathtub. My autistic son loves to hear this book over and over and my typical daughter also. It is so funny!0 of 0 people found the following review helpful. That's Disgusting BookBy Katie SimonThis book is crazy funny and good for all ages. When you hear a 3 year old giggle as her 8 year old sister reads it to her, priceless!

This irresistibly icky book will appeal to kids' love of all things nasty--while charming parents with its wit and energy. Adorable artwork on every spread accompanies simple text. Swallowing a worm, smelling a sock, playing in the cat litter....That's Disgusting!
