Michael Cader : That's Funny! before purchasing it in order to gauge whether or not it would be worth my time, and all praised That's Funny!:

0 of 0 people found the following review helpful. Five Stars By Gordon Nale Very good collection of jokes. 13 of 14 people found the following review helpful. Sit in the tub and laugh! By A Customer It's like Stand-up Russian Roulette. This is not one of those "A duck, a Proctologist and a Scientologist walk into a bar..." No, none of that just standups doin' their thing, one line at a time. If you're contemplating suicide, read this first. There are n't many of these out there. I'm a comedy writer and aspiring comedian myself and it made me laugh!

That's Funny! features a complete cross-section of the fresh and familiar voices that make you laugh. From powerhouses like Paul Reiser, David Letterman, and Roseanne to such rising stars as Dave Chappel, Jonathan Silverman, and Bonnie Hunt to cult favorites like Bobcat Goldthwaite, Bill Hicks, and Emo Phillips. That's Funny! is laugh-out-loud hilarious. Also includes jokes from such classic quipsters as Bill Cosby, Robin Williams, Rodney Dangerfield, and Steve Martin.
