Bernadette Gervais, Francesco Pittau : That's Mean! before purchasing it in order to gauge whether or not it would be worth my time, and all praised That's Mean!:

1 of 1 people found the following review helpful. Not as good as "That's dangerous" By On your side Not as good as "That's dangerous!" However, I still love it! It's a real side splitter and kids love reading and learning about what is mean and how to be a good person from these amusing and sometimes bluntly hilarious scenarios on how to be kind, and the do's and don'ts of social behavior. 6 of 6 people found the following review helpful. let's hope your kid doesn't get any ideas.... By Jennifer Aron Pittau and Gervais tell the story of an incredibly mischievous boy whose sole hobby is to torture anyone or anything crossing his path. The majority of his devilish acts qualify as grotesque (skewering garden slugs) or cruel (making fun of blind people), more than you would expect from a children's picture book. Its morbid humor is what made me buy it, and the pictures (in red, black and grey, stick-figure-style) capture the naughty feeling of the book. Most people would say this book is for older kids (6+) and grown-ups. For younger kids, buy the Elephant Elephant opposites book. 6 of 6 people found the following review helpful. Hardcore message for meanies. By Shayla Roberts I love this book, and my 5-year-old son is almost in awe of just how mean the boy in the book is. He doesn't seem to be wanting to emulate the behaviors at all, which is what I was afraid of. Instead, when my son is naughty, the phrase "That's mean!" chastens him completely, probably because he remembers the last line: "And if you are very, very mean, you will end up... ALL ALONE!" I love books that pack a punch, and can't wait to get the authors' other books.

That's Mean! includes such no-no's as scaring your little sister, telling secrets, and spitting on people, all delightfully illustrated and sure to delight kids three years and up. Kicking the cat...That's Mean!

About the Author Bernadette Gervais (Author) Bernadette Gervais was born in Brussels, Belgium. She studied painting at Ecole des Beaux-Arts in Paris and now illustrates books for children and young adults. Francesco Pittau (Author) Francesco Pittau studied painting and carving at Ecole des Beaux-Arts. He has written and illustrated graphic novels and now writes and produces children's books.
