**David R Thorne : That's Not How You Wash a Squirrel: A collection of new essays and emails** before purchasing it in order to gage whether or not it would be worth my time, and all praised That's Not How You Wash a Squirrel: A collection of new essays and emails:

31 of 31 people found the following review helpful. Do I have an abridged version?By Jason HumphriesI've read the squirrel essay several times but at no point do I see the line "that's not how you wash a squirrel". The back cover also

quotes a scene involving said squirrel and a washing machine - which is also depicted on the book cover, and yet my version does not contain this fundamental plot event. Do I have an abridged version? If so I feel this should have been more clearly stated on . I would accept a pickle or a drawing of a spider as compensation.0 of 0 people found the following review helpful. Really Glad I Bought This During My Internet OutageBy exaroxMore personal than his previous books but still every bit as funny and witty. Wit/smarty pants? Witty Pants. And his wife, who is entertaining as well in her contributions to this book). His chapters on his son being all grown up hit a nerve because I remember reading his blog post about funny things his young son would say when it first came out. It's a short read, great for a 5 hour flight because you won't be able to put it down. A warning though, reading this might inspire a sense of humour and willingness to point out the inanity of rules and regulations that airline officials might not agree with.4 of 4 people found the following review helpful. You must read this bookBy april mayAlong with all his previous books this is laugh out loud with tears rolling down your face hilarious , the only problem with David thorne books is that there's not a lot more of them.

That's Not How You Wash a Squirrel is the fourth release by New York Times bestselling author David Thorne and features over two hundred pages of brand new, never before seen essays and emails including: Ride of the Valkyries, Squirrel, Deer Camp, Tomotes, Gypsies, Cloud Backgrounds, Scrabble, Horsepowers and many more.

About the AuthorDavid Thorne is an Australian humourist and New York Times best-selling author. His work has been featured on the BBC, The Late Show with David Letterman, The Ellen DeGeneres Show, and Late Night with Conan O'Brien. He has worked as a graphic designer, copy writer, branding consultant and creative director and has described working in the design industry as the most uncreative experience of his life.
