From the cover to the last page, you will be grinning at the clever captions with these pictures. I not only bought one for myself, but I bought a few for gifts, too, and my friends loved them! I highly recommend! 0 of 0 people found the following review helpful. my aunt loves it! By iheartscrapbooking I bought this for my aunt and she loved it!!! she and I have always been close and I definitely share her twisted sense of humor. this book is not for someone that does not appreciate sarcasm or who may be a little prude-ish. it is a fun book, very funny, and is a great conversation piece. although my aunt did say she puts it away when her grandsons come over! 0 of 0 people found the following review helpful.
