Rob Wood : The 5 Greatest Spankings of All Time before purchasing it in order to gage whether or not it would be worth my time, and all praised The 5 Greatest Spankings of All Time:

ended up just throwing this one away. My husband and I have raised 8 kids, on a farm, and we did spank our kids. Believe me, five of our kids were boys, and they were very active kids, with broken bones and stitches and did lots of crazy things. So the fact that the boys in this book were spanked isn't a problem -- but the father's idea of how and when and why to spank were VERY different from ours. That did bother me a bit, but on the other hand, I wasn't there, and it didn't seem to me that he was abusive at all . . . still, his methods weren't something I would agree with. But even with all that aside, it just wasn't a funny book to me. I think it could have been a very funny book, had the editing and writing style been much better. I think the writer is probably a very nice man who had a happy childhood, and enjoyed writing down the stories for his kids and future generations, and that's great. I'm sure it's going to mean a lot to them in years to come. But if you are looking for a laugh - out - loud book (as some reviewers said they did), well, this one just totally missed the mark for me. I didn't laugh once. Not once. And I DO laugh out loud at P.G. Wodehouse, Booth Tarkington (try *Seventeen* or *Penrod*), Jerome K. Jerome, and Patrick McManus (now THAT guy is a laugh -out-loud author!). The other thing you might want to know before buying this book, was that it has some slightly crude humor, as well as some mild profanity. China markers work well for that if you (like me) prefer to mark that stuff out.

By DTThis book was so funny and these kids just couldn't keep out of mischief. It brought back memories as I compared what they did to some of the things my brother and I did when we were growing up back in the 1950's. What I did seemed so mild yet I paid the same price they did with a good lickin from my dad or the hairbrush from my mom. But it reminded me how easy and care free we were when we were kids. Okay, you screwed up, you got a spanking and then you moved on a little smarter, hoping to avoid another spanking. But sometimes the temptations of the day were too great to pass up. A very nice and easy read.

By CatsmRob Wood's storytelling abilities are superb in taking the reader back to his childhood adventures with his two brothers the 1950s. While it was a simpler time, it did not preclude him and his siblings from finding a way to test their parents' patience. I could relate to their exploits of these young men and also to the consequences they faced, laughing out loud at times in anticipation of the outcome. A wonderful read!

"WINNER...Texas Association of Authors Book Awards - First Place Short Story Fiction""The 5 Greatest Spankings of all Time" invites you to step into a fifty-five year old time capsule, to a simpler time when the misadventures of three young brothers growing up on a small ranch in the 1950's stretch their parent's patience and sanity to the breaking point. Taking place in the shadows of World War II, this tale not only unfolds the amusing and humorous events that led up to the "5 Greatest Spankings" but it conveys a flavorful and reminiscent glimpse of a time gone by, as the tastes and smells of the 50's come rushing back. Readers of any adult generation will be entertained by the boy's ability to effortlessly transform relatively innocent intentions into calamity and chaos. Laced throughout the chapters is an unmistakable underlying message addressing family dynamics and relationships that will surely summon to mind events of your own childhood. May laughter and joy be your companions as you journey through the adventures with these 1950's versions of Tom Sawyer and Huckleberry Finn.

"The 5 Greatest Spankings of All Time" by Rob Wood is a great book, 5 stars! Super Duper funny stuff. This should be a dang movie. I must advise Reader Views if future books from Mr. Wood should arrive on the list, I want them! What a feel-good read! I loved it! - ed by Jennifer Hass for Reader Views (6/12)

From the Back CoverRob Wood's THE 5 GREATEST SPANKINGS OF ALL TIME is hilarious and heartwarming! I'm certain you will enjoy these priceless escapades as much as I did. I look forward to Rob's next rodeo.-Robert Knottwriter/producer of the feature film Appaloosa

About the AuthorAfter completing college and a two year tour of duty in the Army, Rob Wood followed in the footsteps of some of his forefathers and spent several decades cowboying in Colorado, Wyoming and Montana. Being involved in ranch and commercial real estate, dude ranching and producing rodeos allowed him to fulfill his childhood dreams. "The 5 Greatest Spankings of All Time" is the first edition of a trilogy extolling the side splitting adventures of his youth. Aside from writing, Rob enjoys spending time with his grandchildren, cooking indoors as well as over an open fire and riding a good horse along the Continental Divide. Rob and his wife Ellen currently live outside of Dallas, Texas.
