Milton Hall : The 7 Simple Steps To Highly Effective Joke Writing: 7 Steps To Writing And Revising Comedy Gold before purchasing it in order to gage whether or not it would be worth my time, and all praised The 7 Simple Steps To Highly Effective Joke Writing: 7 Steps To Writing And Revising Comedy Gold:

2 of 2 people found the following review helpful. Short but interestingBy Joseph RothenbergThis book is not so much

a full-featured guide to comedy writing as it is an insight into 1 comedian's personal process. It's very short and could have used another pass by an editor, as it contains some spelling and grammar errors (and I'm not talking about the intentional ones in the example jokes). However, it is interesting and informative to watch this comedian's material evolve from stream-of-consciousness to a fully-fledged bit, so I'd recommend this as a good, quick read for any budding comedian. 0 of 0 people found the following review helpful. Excellent Resource! By Louis Fabian This is an excellent guide! The strategies presented fit to any levels, whether you're a beginner or just someone who wants to look at other areas that you might find lacking and want to improve it, of course none of the strategies will be effective if you lack the passion which this book has emphasized. It also highlights the importance of writing your jokes exactly how you talk and don't care about grammar and I love this part who cares about grammar when you're having fun. Great book! The advice is sincere and really helpful. 1 of 1 people found the following review helpful. Felt ripped-off By William Schmitt This is not a book; it's an article with a cover. Simplistic advice; 1. Make a list of topics. 2. Read them out loud. 3. Rewrite. There, I've saved you \$10.

Are You Funny? Do You Aspire To Do Stand-Up?... But Don't Know Where To Start?... Or Better Yet Don't Know How To Write Jokes? This book guides you STEP BY STEP on how to: Find topics to talk about on stage that KILL. How to write your jokes for brevity How to identify your setups and punchlines How to add Tag-lines to your punchlines And... How to re-write your jokes In 7 easy to follow steps, complete with examples that show you exactly how your material should look every step along the way. This book lets out all stops on how to write jokes in your own voice and dispels the misconception people have about needing a "gimmick" in order to be funny.
