**C. Margis : The Acclaimed Book of Anti-Odes: Volume 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Acclaimed Book of Anti-Odes: Volume 1:

ode n. lofty poem in praise anti-ode n. morbid poem in reproach Stop lying to yourself! There is as much repugnance in this world as there is beauty. Laugh it up as the first ever "Book of Anti-Odes" takes jabs at the detestable things in life, through eloquent poetry! (Layman's description: Book of side-splitting poems) After years of requests by avid

fans to attain copies of his poems to share with friends and family, the world's first "Anti-Ode" poet, C. Margis, delivers his first collection of hilarious poems on a large scale. From "Too-Tanned Girl in Winter" to "Unibrows" and from "Texting while Driving" to "Shoe Removal on an Airplane", even the most uptight biddy won't be able to stay her prudish course. So take a respite from the rat race, have some fun, and enjoy the humor in the loathsome. After all, the bikini bathing suit bottom that Mr. Creeper wears to the beach might make you sick... but laughter is the best medicine! For the price of lunch, this medicine is yours!
