History has always been fascinating to me.P.W.By Kindle CustomerI've always been interested in history of any kind especially,our Great country. While in even elementary school I read a lot of books,pertaining to the pioneers and their hardships especially, the ones that made a name for themselves,such as Kit Carson,Buffalo Bill,Daniel Boons,Davey Crockett. just to name a few. A Pioneer's Courage and a Story Teller's SoulBy CustomerThe Adventures of Buffalo Bill opened my eyes to the life of the American West in the 1800s. The pioneers needed to be alert and ready to fight at a moment's notice. Survival took cunning and nerves of steel. Buffalo Bill had all of that and the ability to spin a great yarn.
