**A. T. Quiller-Couch : The Adventures of Harry Revel** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Adventures of Harry Revel:

1 of 1 people found the following review helpful. Adventures for the Gloomy that also Enjoy a bit of Cockney Goodness By Tyler Standen Bought this for my Kindle years back because it was free. I couldn't put the thing down I liked it so much. It felt good and I liked the characters, I felt like I was reading an adventure story like I used to back in gradeschool but with a more capable writer at the helm. Speaking of, I hesitate to call him one since I know nobody else who knows him; but Quiller-Couch seems a hidden gem of a writer. Reading his other books like 'Brother Copas' I've taken a liking to the guy. He has verbiage, but it's wrotten so that I don't mind it. As soon as I get physical copies he'll be on my shelf next to Hemingway, Croshaw, Tolstoy and friends. 1 of 1 people found the following review helpful. Good read By Kindle Customer A fairly good story early on with lots of action but it sort of slowed down near the end but still a book worth reading and it wasn't too long

Leopold is delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. This means that we have checked every single page in every title, making it highly unlikely that any material imperfections such as poor picture quality, blurred or missing text - remain. When our staff observed such imperfections in the original work, these have either been repaired, or the title has been excluded from the Leopold Classic Library catalogue. As part of our on-going commitment to delivering value to the reader, within the book we have also provided you with a link to a website, where you may download a digital version of this work for free. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience. If you would like to learn more about the Leopold Classic Library collection please visit our website at [www.leopoldclassiclibrary.com](http://www.leopoldclassiclibrary.com)

About the Author Sir Arthur Thomas Quiller-Couch (21 November 1863 12 May 1944) was a British writer who published using the pseudonym Q. Although a prolific novelist, he is remembered mainly for the monumental publication *The Oxford Book Of English Verse* 1250-1900 (later extended to 1918) and for his literary criticism.
