Arthur Tovmasyan : The Amusing Bible before purchasing it in order to gage whether or not it would be worth my time, and all praised The Amusing Bible:

0 of 0 people found the following review helpful. Finally a book that cares to tell the truth about Bible, and religious faith. It's amusing and pleasant to read.By Virgil CiurilaI would highly recommend this book to anybody who wants to learn the truth about the Old Testament. Excellent book.0 of 0 people found the following review helpful. Excellent, truthful bookBy Anti-ZionistIn spite of being written in the 19th century, this book is very relevant today. Excellent, truthful book!1 of 1 people found the following review helpful. There was light - now it is for all of usBy Hatty HattingtonI have read this book back in Romania when I was just 13 years old. I laughed so hard and fell in love with

it instantly. It remained in my memory forever. I was very disappointed to discover the book is written in French, Lithuanian and Romanian only. I have not read Arthur Tovmasyan English translation, I do hope it retains the sarcasm, guile, cynicism and implacable humor.

The Amusing Bible is the first English adaptation of La Bible Amusante, written in french by Leo Taxil in 1897, which was suppressed from being translated into English or Spanish. It contains quotes from the Bible, comments by Voltaire, Lord Bolingbroke, Fréret, Toland and over 400 illustrations by Frid'Rick. The Amusing Bible is a powerful weapon against the clergy and their doctrine of the heavenly origin of the Bible, since it consistently points out the errors of the Bible. Do not expect a deep scientific criticism, since The Amusing Bible only points out those absurdities and contradictions, which simply do not conform to our common sense, and leaves its scientific analysis to biblical scholars. The Amusing Bible will simply explain what you should not believe and why.
