Tariq "King Flex" Nasheed : The Art of Mackin' before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Mackin':

1 of 1 people found the following review helpful. Best Tariq Nasheed book By Nir@dThe Art of Mackin' takes a fresh approach to the much abuse genre of pick-up by writing predominantly for a black audience. Until The Art of Mackin' most books on pick-up were published mainly for a white audience. This lack of pick-up books in the black community made pick-up a one dimensional genre. Being one of the first pick-up books targeting a black audience, The Art of Mackin' help break the mold to a more diverse pick-up genre. Tariq Nasheed fits the modus operandi of mack. I know this might confuse some of you, but a mack is not a pimp or a gigolo. The confusion comes from how the word pimp is used today. MTV has made popular such out of context phrases as `pimp my ride' or `pimp my house' but this definition of the word is far from its origin meaning. Today anyone with \$10 in his pocket is a potential

pimp despite any verbal skills. Unfortunately The Art of Mackin' tends to overlay street terms in the same manner by covering too many topics using catchall words like pimp, gigolo and mack. The book jumps from "The Four Types of Sistas" in chapter two to "How to Be a Pimp" in chapter 3 and finally "How to Be a Gigolo" in chapter seven. Here's the problem Tariq Nasheed isn't a pimp to be giving advice on how to be one. In case you haven't seen Tariq Nasheed, a simple Google search will show you just what I mean. Tariq Nasheed had a podcast in which he never claimed to be a pimp outright. Beside any confusion this might cause the uninitiated reader Tariq Nasheed does provide blue prints for overcoming common obstacles a black dater might face in the field. Overall the book is original and worth purchasing. I highly recommend The Art of Mackin' over Tariq Nasheed's other book The Mack within, which is just a rehash of this one. 0 of 0 people found the following review helpful. Fun and Informational Read for both Men and Women By Kindle Customer Fun book to read for both men and women. Has good information in it, as well. Here's the link for this book: The Art of Mackin' Other recommended books: Play or Be Played: What Every Female Should Know About Men, Dating, and Relationships All the Rules: Time-tested Secrets for Capturing the Heart of Mr. Right 1 of 1 people found the following review helpful. Love it!! Will be passing on to my younger brother By Anonymous I'm a bisexual female and found alot of these tips useful in persuing women. I see why it works :-) this is a great read for hetero women too, those who want to "peep game" anyway.

"A Classic" -New York Times Book Review Before great books such as "The Mystery Method" by Mystery , "The Game" by Neil Strauss, "Double Your Dating" by David DeAngelo and many others, there was the critically acclaimed game manual "The Art Of Mackin" by Tariq "King Flex" Nasheed. First written in 1999 and released in 2000, this updated and revised edition of The Art of Mackin', takes a unique, yet serious look at modern male/ female relationships from a player's point of view. The Art of Mackin' was the first how-to book that taught men how to actually become a true ladie's man , and how to use certain techniques (not deceit) in order to get what they wanted from women. Whether it is sex, money or companionship, this book teaches men what to say, verbatim, in order to reach their intended goal. By using these techniques, I am not implying that you do anything negative. I am just teaching guys to stay on top of their game when dealing with women. The Art of Mackin' is also the first book that tells men what to say, word for word, in order to get sex from women, guaranteed. By using my tried and proven methods of mackin', men are guaranteed to increase their player ratio by at least fifty percent (50%).

"(This book) comes from the experiences of a seasoned veteran of the game" -- Kronick Magazine, March 2001 "A much needed book" -- Dave Shaftel, The Source Magazine "Tariq is a true expert on mackin" -- Jenny Jones, April 2001 episode of The Jenny Jones Show when K-Flex was a guest About the Author K-Flex is a former Los Angeles hustler, who is also the author of other books including "A Gangsta Speaks Out" and "The Mackin' Rulebook". K-Flex has become a favorite guest on numerous television and radio shows around the country.
