Simon Drake : The Art of Office War before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Office War:

0 of 0 people found the following review helpful. Not very useful By C. Collomb The content is not well structured, without much depth, and not very actionable. It was not as funny as the cover suggests.

The Art of Office War is a daring, delightful, engaging and enlightening fusion of modern and ancient wisdoms, strategies and philosophies to understand, survive and prosper in the modern office.
